REMARKS [REDACTED]				
<p>1. Believe it may be some imposition at this time to request [REDACTED] to write ER's, especially in view of his involvement in other than DPD activities. Although it is certainly not according to Hoyle, I suggest that the ops types get together with Personnel and draw up the ER's in draft for your consideration and comment.</p> <p>2. I agree that we should make it a rule of thumb to request periodic ER's on the Drivers that we now have.</p> <p style="text-align: right;">O [REDACTED]</p>
